Q: Does SCE fund capital grants?

A: No.

Q: Does SCE fund religious or faith-based organizations?

A: No.

Q: Does SCE fund outside of its service territory? (ie. Los Angeles, San Diego, Canada, Africa, etc.)

A: In general, no. Edison funds non-profit organizations in our service territory. Edison does reserve the right to fund outside its service areas when appropriate.

Q: Does SCE provide individual support? (e.g. pay personal bills, pay school tuition, etc.)

A: No. Unfortunately, regulations by which we are bound, do not allow us to provide funding to or for individuals. However, the CARE and FERA programs provide assistance on energy bills for those in need. You can find out more at <http://www.sce.com/RebatesandSavings/incomequalified/carefera/>

Q: Does SCE fund American Youth Soccer Organizations, cheer teams, school sports leagues, festivals, carnivals and parties?

A: No. Our targeted areas of support are academic education, environmental programs, community-based arts education and social programs to non-profit organizations.

Q: Does SCE provide free electrical services to fix park or church light fixtures, poles, etc?

A: No. Regulations prohibit us from contributing these types of services and property.

Q: Does Edison fund homeless, domestic violence prevention, teen pregnancy prevention, or HIV/AIDS prevention organizations?

A: Although our targeted areas of support are academic education and environmental programs, we will also consider funding arts education and social programs targeted to underserved communities for non-profit organizations within those areas served by Southern California Edison.

A: Alter your Internet settings to enable access to pop-ups for this site.
