Edison International, through its subsidiaries, provides an indispensable service that enhances people's lives. Electricity is what we're all about. We generate it. We transmit it over long distances. We buy and sell it wholesale. And we distribute it to retail customers. Our customers and communities rely on us, every day, for excellent performance. We look to our employees to not only continue our tradition of excellence, but advance the quality and vision of Edison International. To search jobs click one of the logos below.

Note: When applying for jobs at Edison, you must turn off your pop-up blocking software.

2. You will then click the Logon button and enter your previously self-identified User ID and Password.

3. Your next step is to select My Profile to access and update your profile.
4. You will be taken to Personal Data on the Candidate profile page as seen on the next page. The Ethnic Origin field may contain invalid data, and must be updated by you. The invalid values you may now see are:

R1	R5
R2	R6
R3	R9
R4	

If you see these values, you need to change it to any of the valid values available in the drop down list. (see screen shot on the next page.)

5. Once you have updated this field, you will be able to successfully update any other fields and save your profile without error.
