

Information Guide for the System Operator/Power Dispatcher Battery EEI SO/PD Test

Test Number: 5109

Human Resources
Performance Assessment Services
Southern California Edison
An Edison International Company

REV120710

Introduction

The **5109 EEI SO/PD Test** is composed of four short aptitude tests, and one knowledge test, designed and validated to aid in the selection of candidates for electrical utility system operator or power dispatching positions. This test was validated for positions including: System Operator, Substation Operator, and Operator Trainee.

Test Session

It is important that you follow the directions of the Test Administrator exactly. If you have any questions about the testing session, be sure to ask the Test Administrator before the testing begins. During testing, you may **NOT** leave the room, talk, smoke, eat, or drink. Since some tests take several hours, you should consider these factors before the test begins.

All cellular/mobile phones, pagers or other electronic equipment will NOT be allowed in the testing area.

All questions on this test are multiple.

The test will take approximately two hours. No study aids are allowed on the test.

Info Guide Feedback

At the end of this Guide you have been provided with a Info Guide Feedback page. If a procedure or policy has changed, making any part of this Guide incorrect, your feedback would be appreciated so that corrections can be made.

SO/PD STUDY MATERIALS STEP-BY-STEP INSTRUCTIONS

To help you prepare for this test, Edison Electric Institute, the test developer, has prepared an informational brochure and detailed practice tests. We recommend that you read through all practice tests and the brochure. The materials are online, and are accessible from any computer with internet access. From the websites you may read or print the materials.

***NOTE:** *Pop-up blockers may not allow the website to run correctly. If you use Pop-up blockers, it is recommended that they be turned off prior to accessing the site.*

1. From any computer with internet access, type <http://www.eei.org/practicetests> in the address bar to access the practice tests, **or** <http://www.eei.org/testingbrochures> to access the test brochure. Type the above address(es) exactly as written.
2. Both sites require the same username and password, assigned to Southern California Edison. To log in to the sites, enter the following information (case sensitive).
Name: paper
Password: pen

Example:

The screenshot shows a Microsoft Internet Explorer browser window titled "Testing Brochures Login Page - Microsoft Internet Explorer". The address bar displays the URL "http://www2.eei.org/testingbrochures/" with a red arrow pointing to it and a callout box labeled "Step 1: Enter URL here". The page content includes the Edison Electric Institute (EEI) logo, the title "Testing Brochures", and a welcome message: "Welcome to the EEI online testing brochures. To login, enter the name and password provided to you. If you are unable to login, [read how to enable your browser to accept cookies.](#)". Below the message is a login form with two input fields: "Name" (containing the text "paper") and "Password" (containing the text "pen"). A "Login" button is located to the right of the password field. A red arrow points from a callout box labeled "Step 2: enter name and password" to the Name field.

- Click on “System Operator/Power Dispatching” (found on the left hand side of the webpage). From there you will be able to access the specific practice test modules or test brochure. You may print the documents if you wish.

Troubleshooting Guide to Frequently Experienced Problems

- Pop-up blockers may interfere with your ability to access the study materials and practice tests. If you have pop-up blocker software installed, you may need to temporarily disable it. Contact your Internet Service Provider (America Online – AOL, Earthlink, MSN, Verizon Online, etc).
- Anti-virus software (Norton Antivirus, Symantec, etc) may interfere with your ability to access the materials. If you are experiencing problems, you may want to consider temporarily adjusting the settings on your anti-virus software.
- If you experience an error message, such as “Internal Server Error,” simply close your browser window, wait a few minutes, and try again.
- If you are still having problems, please call EEI at the help number listed on the website.

Info Guide Feedback

Please use this page to notify us of any changes in policies, procedures, or materials affecting this guide. Once completed, return to:
